Tom Moore Cigar

Made in 10c and 2 for 25c sizes

The Little Tom has the same grip on quality as the Tom Moore. Men who have grown used to the 10c size and who'd like the same mild good smoke at a nickel get a cigar half as big in the Little Tom. Never apart. Same dealers sell both sizes. "The Tom Moore when you have the dime; the Little Tom when you haven't the time."
